➢ How to Download the APK File:

1. **Open the Google Drive Link:**
   - Click on the link or paste it into your browser
     https://drive.google.com/file/d/1rUANx0dqvxn7rE9QVqPPq9VEHdio4dy8/view?usp=sharing
2. **Access the File:**
   - Once the Google Drive page opens, you'll see the APK file listed.
3. **Download the File:**
   - Click on the "Download" icon (usually an arrow pointing downward) in the top right corner of the page.
   - Alternatively, you can right-click on the file and select "Download" from the menu.
4. **Save the APK File:**
   - Choose a location on your computer or mobile device to save the APK file.
   - The download will begin, and the file will be saved to the selected location.
5. **Install the APK File (for Android Devices):**
   - Locate the downloaded APK file on your device.
   - Tap on the file to begin the installation process.
   - You may need to enable installation from unknown sources in your device's settings.
   - Follow the on-screen prompts to complete the installation.
